| <ul style="list-style-type: none">• For Show and Tell on Friday, please bring a realistic looking stuffed or plastic animal native to Wisconsin forests to live for the month in our classroom tree. Animals can live in or under the “tree”, or in the nearby “pond”. Be ready to tell what you know about the animal you have chosen. Certain Beanie Baby-type animals would work nicely. Realistically colored stuffed or plastic animals are what we are looking for-NOT, for example, a pink teddy bear or an unrealistic looking multi-colored dolphin....• During the next few weeks, your child will have the chance to “Feed the Turkey” with non-perishable food items for the Elkhorn Food Pantry! A list of items needed to share with our community was included in your child’s folder last week. If you need another, please ask! Also, sometimes the children enjoy bringing just one thing per day to spread out the fun of feeding the turkey...whatever you decide to do is fine! | <ul style="list-style-type: none">• In this week’s Bible Lessons we learned how God provided food for His children as they traveled through the wilderness on their way to the promised land. He also provides what we need! We also saw how God gave the 10 commandments to His children as a way for them to show their love for Him.• Please be sure that your child has an extra emergency outfit in the backpack in case it is needed for spills or accidents.• Thank you for sending a refillable water bottle each day! |
