FIRST LUTHERAN  
SCHOOL

Wednesday, October 14, 2020

2020-2021 School Theme:

*"Rejoice, be Glad, this is the day the LORD has made." Psalm 118:24*

<u>Principal's Message</u>	<u>This Week at a Glance</u>
<p>As we study His story (history) and His creation, we learn about God's love for mankind. In contrast we also see how sin can run rampant among His people. While God created us to serve Him and others, too many people serve their own ungodly goals: wealth, power, control, fame, etc. As we prepare children for their life under God, we remember how Jesus came to serve us. He is our motivation to live a life of service.</p>	<p><b>Fri., Oct. 16:</b> Dominos  <b>Wed., Oct. 21:</b> Toddler Open Gym  <b>Sun., Oct. 25:</b> Handbell Choir - 8 &amp; 10:30 service  <b>Thurs.-Fri., Oct. 29-30:</b> NO SCHOOL            - Teachers have in-service training on Thursday</p>

<u>School News</u>		
<p><b><u>SAVE THE LAUNDRY CAPS</u></b>            If you use liquid laundry detergent, please save the caps for us. They have multiple reuses: paint caps, sorting caps etc. Thank you!</p>		<p><b><u>HANDBELLS</u></b>            Students in grades 3-8 are welcome to join the handbell choir. We will be practicing on Thurs., Oct. 15, Tues., Oct. 20, and Thurs., Oct. 22, from right after school until 3:30pm. We will be playing in church on Sunday, October 25, in both services. A note with more information came home last week. Please sign and return the bottom portion if your child/children have permission to participate.</p>

| <ul style="list-style-type: none"><li>• For Show and Tell on Friday, please bring an item of your choice that reminds you of the season of fall.</li><li>• It is exciting to see the children blossom as the school year progresses! We are practicing quiet self-talk as a way to help focus attention and to follow directions. We are focusing on individual letters, learning letter names and a special sound associated with each one. Keep watching folders for items to come home to practice. We have been clapping and tapping simple rhythms as we do our calendar time each day. We continue our focus on numbers and counting carefully. We are also reviewing some fire safety rules and learning about different animal homes. We have been watching as God's special plan for Joseph unfolds in our Bible lessons and know that God also is carefully watching over each of our lives! As Jesus forgives us, so Joseph forgave his brothers for their sins against him. May we also do the same!</li><li>• October Scholastic Book Orders are due online today if you wish to order.</li></ul> | <ul style="list-style-type: none"><li>• When the Bible Binders come home, please share the newest lesson with your child and remember to review the Memory Treasure Bible passage several times until your child feels comfortable saying it for the next school day.</li><li>• Thank you for your prayers and support. If you have any questions or concerns, the best way is to text me at 262-374-9254. Please leave your name and a short message. I will get back to you as soon as I am able. (It will likely not be during school hours.)</li><li>• Special thanks to all who have donated special items to our classroom from the hallway tree! We truly appreciate the many blessings we have received through you!</li><li>• Thanks also for the extra time given to help us by the following members of our congregation: Grandma Vickie, Mrs. Schwark, Miss Maddie, Mrs. Christian, and Grandma B. We look forward to and appreciate your visits with us each week!</li></ul> |

| <ul style="list-style-type: none"><li>• For Show and Tell on Friday, please bring an item of your choice that reminds you of the season of fall.</li><li>• Kindergarten learning is well underway! In addition to individual letter/sound review (we have added Pp, Dd, Oo, and Nn to our list), we are working to sound out and build/write simple rhyming words. We are working with order numbers-first, second, etc. We are reviewing fire safety rules and learning a bit about God's special sky lights! As we continue the study of Joseph in our Bible lessons, we see how God can use a bad situation for His special purposes. Just like Jesus forgives us, we also have Joseph's fine example of forgiving his brothers. May it serve to encourage us to</li></ul> | <ul style="list-style-type: none"><li>• Please watch folders for items that may be coming home for review and/or special assignment as the year continues.</li><li>• Thank you for your prayers and support. forgive those who sin against us.

## Mrs. Szmanda: Grades 1-2

- Christ Light lessons this week are Jesus' First Miracle and Jesus Heals the Official's Son. We see how Jesus is true God and true man. He takes care of us and gives us all we need.
- We are having fun with fall in every aspect! We have taken walks to collect leaves, learned about photosynthesis and why leaves change color, read books about scarecrows, and will be doing some fall STEM activities.
- In math we collected data and graphed the types of shoes worn by every student and teacher in the whole school! We found some interesting results!

## Miss Buelow: Grades 3-4

- Group B has SHARE this week.
- In math, 3rd grade is working on subtraction and 4th grade is moving into multiplication and division. Please continue to review basic math facts.
- If you have any questions, you can reach me at 414-550-7304 or [missbuelow@firstatthecross.com](mailto:missbuelow@firstatthecross.com).

## Mr. Glodowski: Grades 5-6

- In Religion, we are studying the First Article and what we believe about God the Father Almighty.
- *We are starting to read 'The Hatchet.'* The students find it very intense and a little scary, but otherwise I think they are enjoying it.
- We are in the process of making a socially distanced candy delivery system for First's Trick Station as a STEM project.
- We have started to talk about cells and tissue in science.
- They are in the process of creating advertisements for their made up cell phone companies in geography.
- If you need anything, please contact me using text, call, or email. (608) 712-7759 [mrglodowski@firstatthecross.com](mailto:mrglodowski@firstatthecross.com)

## Mr. Falk: Grades 7-8

- In English class the students are learning some fascinating truths about our complicated language. For example, there are dozens of prepositions, some that are two or three words long. Then there are the verbals like gerunds and infinitives. So much fun!
- Math lessons can be rather interesting. We are learning to solve two and three-step equations; some of them with variables on both sides. Yikes!
- Our New Testament readings lately are showing us the early ministry of Jesus. It is interesting to read about the same event in several different Gospels.
- Cell division is absolutely amazing! God designed our cells to automatically replicate themselves into two daughter cells about every 22 hours. What goes on inside the cell is a testimony to the brilliance of our Creator.
