FIRST LUTHERAN
SCHOOL

Wednesday, January 20, 2021

2020-2021 School Theme:

"Rejoice, be Glad, this is the day the LORD has made." Psalm 118:24

Principal's Message

Our first semester ends this Friday. We have been blessed to have been teaching and learning face to face for half the school year. This is something to appreciate! The quality of our students' education and of their very lives has benefited in ways that may seem intangible. Add to that the training in God's Word, and it's no wonder we love our school.

This Week at a Glance

Fri., Jan. 22: End of 2nd quarter
Little Caesars pizza
Sun., Jan. 31: Gr. 3-8 sing for church on the new screens

School News

ROBOTICS

Our four teams of three students each competed at SLHS last Sunday afternoon. They report that they faced challenges, had fun, and learned from their successes and failures. One benefit of this activity was the communication with teams from other schools. Robots from two different schools would work together to score points, and both teams would be awarded those points. Our teams will try again at the next tournament on Saturday, February 27 at SLHS. There is also a strong possibility that there will be an additional tournament in Appleton at FVL on February 14.

FLS SOCIAL STUDIES FAIR

The Academic Fair this year will focus on social studies. We are not sure if it will be held at SLHS on April 16, but we will conduct a fair here in our school. The date will be Friday, April 9 between 6:00 and 7:00. Packets of information will be sent home with the report cards next Wednesday, January 27.

SCHOOL CLOSINGS

In the event of a snow or cold emergency, First Lutheran will always follow the call of the Elkhorn Area School District. Milwaukee area radio and television stations will spread the word and watch for our Facebook posts as well. Remember, if school is closed for the day (or closes early), after school activities are also cancelled.

SHORELAND OPEN HOUSE

The next SLHS Open House is scheduled for this evening, Wednesday, January 20 from 6:00 – 8:00 p.m. Incoming and prospective students and families will have the opportunity to take a guided tour and learn more about Shoreland's curriculum, STEM Academy, activities and meet teachers Register online at www.slhs.us/apps/pages/open_house. If you know someone that would benefit from hearing more about what Shoreland has to offer, please forward this information on to them!
