Principal's Message

Has the school year schedule become routine yet? In some ways, yes. We are getting used to getting up early, doing regular assignments, going to sports practice, etc. However, in some ways, no. Going to school is never humdrum due to the endless variety. Students are each unique in God's eyes and, therefore, also ours. The combination of lessons, personalities, and relationships can make each day an adventure. Education is definitely not boring!

School News

MISSION PROJECT

The hurricanes, tornadoes, floods and forest fires in the news have caught our attention. The students voted and our first quarter mission project is Christian Aid and Relief Fund. Our chapel offerings children's envelopes will be used to share Jesus' love worldwide and provide help to congregations and neighbors affected by natural or manmade disasters.

SCHOOL PICTURES

Picture Day is Tuesday, October 5th. Order forms are coming home today. If ordering pictures, you may do so online or return the order form and payment on picture day. You do not have to purchase photos - all students will have their picture taken.

DONATIONS

This month the students in grades 5-8 have been learning the basics of golf. As a culminating activity we take them to a real golf course. This year it will be at Prairie Woods on October 1. We invite you to help defray the costs for this expense. If you are willing, please send your donations to the office.

CHURCH ANNIVERSARY SERVICE

The school children are singing with our adult choir **this** Sunday, September 26th. We will meet in church at 1:30 pm to rehearse with the choir. Thank you for singing!

Mr. Glodowski: Grades 5-6

- The students are learning about the commandments in Catechism class. For each commandment they will learn what God commands us to do and not to do.
- I am looking for shoe boxes for a project on Friday. Please send any that you wish to get rid of.
- We will talk about the Israelites and Kushites in history.
- A field trip form has been sent home for our golf outing. If you enjoy golf and would like to help out by leading one of our golfing group of 3 students, please contact me.
- If you need anything, please contact me using text, call, or email. (608) 712-7759 mrglodowski@firstatthecross.com

Mr. Falk: Grades 7-8

- After studying Genesis and learning once again how the Lord created our world, the students are lately watching the movie "Expelled: No Intelligence Allowed." This is a documentary led by Ben Stein about the censoring of leaders in universities and academia who mentioned the possibility of intelligent design when discussing the origins of life.
- Our science lessons are looking at the geology of the earth, especially the minerals. We are learning about their properties and various uses. The Lord's creation is amazing.
- The students are learning about various concepts in math class: properties like commutative and associative, working with integers, and order of operations.
