| <ul style="list-style-type: none">• There is no Show and Tell on Friday because there is no school.• In our recent Bible lessons we saw how God used a burning bush to call Moses to be the one to lead the children of Israel out of Egypt. When His children were caught between the Red Sea and the enemy forces, God showed his almighty power by delivering His people in a miraculous way. When we experience trouble, God invites us to call upon Him in prayer. Our joyful response to His love and care should be to thank and praise Him for His love!• Our classroom will be sponsoring our annual "Feed the Turkey" challenge as we gather needed items for donation to the Elkhorn Food Pantry! The entire school is invited to join in donating to this community service project! | <ul style="list-style-type: none">• Please be sure that your child has an extra emergency outfit in the backpack in case it is needed for spills or accidents, such as sliding down a wet slide, etc.• Thanks to all who helped make our day at Busy Barns last week such a wonderful experience! Mrs. Szmanda: Grades 1-2

- This week during Christ Light we are learning about the life of Martin Luther and his role in the Reformation through stories, flannelboard pictures, videos, and activity booklet.
- We are wrapping up our study of graphs. We will be working with money next.
- We have enjoyed many autumn books and have even created a few of our own! The students have also done some nonfiction reading and writing about bats.

Miss Buelow: Grades 3-4

- No School = No SHARE
- Thank you Mrs. Stech for our library tour. Thank you Mrs. Erickson for driving on our field trip.
- If you have any questions, you can reach me at 414-550-7304 or missbuelow@firstatthecross.com.

Mr. Glodowski: Grades 5-6

- In Catechism we are up to the 4th Commandment.
- We will do a STEM project next week based off of the City of Ember book.
- Next week in history, we will be starting to talk about the ancient Greeks.
- If you need anything, please contact me using text, call, or email. (608) 712-7759 mrglodowski@firstatthecross.com

Mr. Falk: Grades 7-8

- In our Old Testament readings we are following the life of Abraham. Like him, we have faith in God's promises which He always keeps.
- The science lessons lately have given us information about rocks and minerals. God's creation includes many beautiful and useful materials in the earth's crust.
- Our latest art project has been on a giant Luther's seal. Each student took a small section of the image and enlarged it so that we could display it in the school hall. Check it out sometime.
- We finished the book *Wonder* and watched the movie today in school. Our next book will be *Animal Farm*.
